HI Nat...ok, Jeffrey has given me permission to allow the delivery on Monday between 10-12...Please let Mike know this must be handled quietly and with professionalism (which I'm sure they do)

I am positive I never discussed delivery no later than the 28th...but lets just move on.

I appreciate your help and assistance with all of this.

Can you please have Mike call Merwin today and confirm the delivery/swap.

Rich, do we need to have James on hand in case of any IT issues?
