Here is another candidate , there are some names on the resume Jeffrey will recognize, I'm sending you her portfolio that she sent me from Dropbox, You will need to set up an internet account, it is very simple, click on her portfolio. Put in an email address and password, I used my gmail account, I ran through the first portfolio of the foyer, which I thought after seeing it , I thought that she is on target, Take a look, and if interested, I can try and set up a meeting,

Presenting her , does not diminish Geoffrey, I feel an obligation to keep going until Jeffery decides, Take a look though at the portfolio, to see if it aligns with Jeffery's taste.
