Hi Lesley, I asked you about size vs. prominence I don't consider it large, but I thought that it could be very possible,, If you can try both of these Links, and let me know if someone working from this firm would be possible, (It is one of Geoffrey Bradfield's Designers) One of the Links mentions the firm as a billionaires designer, Please let me know your thoughts, I have someone that I was supposed to meet is coming from there, as a Senior Design Associate, but I wanted to be on track,
