Hey Russell...Jeffrey has not responded to the email you sent re the designer as of yet with his resume...he has tons going on however, so not sure he has had a chance to look...I do think he would prefer to steer clear of gay men (we have had them before as designers and they are fine and good) but considering this is a full time job, I think he would prefer a female for this role.

Still trying to figure out if I can schedule in Cat also...i really want him to say yes!
