Happy Saturday Lesley. American Airlines says checking the luggage to the final destination will not be a problem, but [REDACTED] is supposed to discuss with her Mom and let me know today. I suggested the new one-way ticket option, with JE approval, to [REDACTED]. She said she would let me know :) DW

Do not worry :) I will contact Priceline and see if they will allow me to make the correction. I will call you or email you as soon as I have a decision. Daphne

Hi Daphnie ,
Sorry I have a bad service at the moment . As I said I gave you a bit wrong order (an american standard) my mom's first name , middle and last name. However , it should have been last name first ([REDACTED]) than first name ([REDACTED]) and middle name ([REDACTED]). My mom said that it prevents her from passing her lagage to a final destination and she have to go to bagge claim every time she lands between stops . Sorry it as my fault but would you be able please to call them and ask change it as it should be so she won't have to carry her big lagage
