Dear Mr. Jeffrey Epstein

On Wednesday, September 17th, we're premiering PUMP, an inspiring, eye-opening documentary that tells the story of America's addiction to oil. A long-running topic that has both political and environmental roots.

The screening will be held at MOMA at 7pm with a Q&A to follow with director Josh Tickell, producer Yossie Hollander and John Hofmeister . The Supper Party will be at Harlow following the Q&A. We look forward to seeing you there. Invite is attached.
