Hi Lesley, Gregory also mentioned that he is in the area during lunch today and if Merwin was free at 2 today that would be optimal, if he is going to be around.

Hi Lesley. When you have a time for Gregory to come back , then just let me know, no rush at all, also , in the interim. This came across my desk, so I elected to call her, you will note that earlier in her career she worked at Robert Stern, which is one of the more recognizable names out there, So I thought I would pass it along in case he would have an interest, as I never stop looking! ☺
