Hello [REDACTED] and Larry...Thank you for your email. Merwin is actually who you should coordinate with as he is at Jeffrey's house every day...(not trying to put you off! promise) But it will be easier if organize a time to come by and look at the table with him. Merwin is cc'd here...his phone number is [REDACTED] Merwin, please email Larry today to organize someone to come look at the table with the stone top tomorrow or next week!

Thank you! Lesley
