Below is from Russell re [REDACTED] and her credit issue...Russell wants me to meet her this week. This is the girl that was the hostess on private jets as well as working some admin...She loves yoga...speaks fluent spanish and has some french...she knows she would have to have a complete background check...I will be in tomorrow...shall I bring her in? You are in tomorrow out the rest of the week, right?

Credit is simply does not have a great credit as she has had some contract experience in backgrounds and have hit a rough patch, It is pretty common, As far as Yoga, That is just an interest of hers and I always ask people there interests,, That was something she thought about but for the right role that goes on the back burner.
