Bella, I called and tried to book a car with JE's Amex and his Visa...both cards were denied twice...the gal taking my reservation suggested the bank needs to be called...very strange...would you like to investigate? I can book the car later but would like to get this done so I can take off my list...please advise.

Citicar v. CarsCo
800-800-6759

Travel from 301E 66th to JFK

D... ..

	Citicar	carsco
Base rate		68
tolls		7.5
Waiting time	12.75 - 4.25 per 5 min \$51 1hr	\$9 for every 15 min. 45 min
Gratuities	n/a	
Stops	depend on zone \$8 to full rate	\$10 or depend on zone

[REDACTED] complains a lot that Citicar doesn't provide good service.. I see mistakes in billing and very defensive accounting department. I would like that [REDACTED] tries to use them and get references from our staff. Cost is a little cheaper, about \$10.
