Subject: Meeting with Leon and Jeffrey

Hi [REDACTED],

It was nice to hear your voice after all this time!

Just to reiterate our discussion on the phone, I think Monday evening, September 8, around 5 or 5:15 would be perfect. Leon will be arriving at LaGuardia at 4 pm and could come straight to Jeffrey's home. This would of course depend on whether or not his plane is more or less on time. He would have until around 7:15, and then he has an event at 7:30, though not too far from Jeffrey's, so that really does seem like the preferable option.

In the meantime, let me know what is going on Tuesday and Wednesday evening for Jeffrey, and we'll take it from there.

Thanks very much,

Catherine
