Subject: Fwd: priceline customer service has received your email PCLNACK00 (KMM58858681115977L0KM)

Greetings [REDACTED],  
Priceline should get back to me within the next 12 hours. They apparently do not have a number I can call - I will do a search on the internet.

I did contact American Airlines first to see if they could update your Mom's ticket, but unfortunately they can not. They said only Priceline can do so, if it is possible.

I will keep you posted. Daphne
