**Subject:** Calendar Dates

Hi Bibe...below are dates you should put in your calendar so you can remind Darren about them...You should remind him 6 weeks ahead of the actual date then every so often prior to the date. The week of the date, remind him every day...

1. If JE will be in FL anytime during the month of January, he must re-register at the FL Stockade
2. Jeffrey must re-register in the VI March 5th
