New Television Series Casting!!

Doron Ofir Casting is on a worldwide search for all those who maintain long distance relationships online.

Screen Love, an unprecedented and extraordinary new docu-series from the Emmy and Academy Award-winning producers of "Searching for Sugar Man" and "Man On Wire," will chronicle the online relationships of people who are apart, but determined to stay together. We want to witness and share in your life, through your screen.

We are looking for long distance stories of love, family and friendship as part of a documentary television series that chronicles, from your own perspective, your relationship in a digital world- a world where internet communication is redefining contemporary relationships.

Thanks to social networking, your love can inspire us, and prove you don't need to hold someone in your arms to hold them in your heart.

Sisters separated by circumstance, parents keeping up with a collegiate son, couples kept apart by work, war, or wanderlust; you're miles away, but remain together.

No matter how far apart you may be, one click can bring you together. To apply, go to www.screenlovecasting.com

Who is your Screen Love?

This is an online casting call.
