Hi Leslie,

I was just about to email you. I organized with Valdson to arrive here at 7pm and he let me in the apt on the 6th floor... Every thing is fantastic. The place is great and private. I will barely been home since I have a lot to do here so it's perfect.

I have one issue which is not a problem if we can't resolve. He showed me the internet name and password to put in my phone but he said he never uses it. It's coming out wrong when I type it in... My phone has barely any signal so I wanted to try and use the wifi on it.

If you know the network and password that would be great. if not then no worries. I'll have to figure it out...

THANK YOU SO MUCH FOR ALL YOUR HELP! ;-))

Sam
