Hi Karyna...Jeffrey has asked that you be the point person for the Bard trip on Sunday July 28th...I wanted you to have this below email for details..
Catherine Luiggi is Leon Botstein's assistant and will also be around on Sunday...
[REDACTED] Catherine's cell

FYI- Leon is hoping JE can land around 11-11:30 so they have time to chat prior to Leon's 1pm Opera Talk. The opera is at 3pm and immediately following is an All Cast Party which Jeffrey and all who go with him are invited to...Jeffrey has not responded to what time he will arrive on Sunday or if he wants to attend the party, but wanted you to know of both. The party will be at Leon Botstein's house on campus.

Hi [REDACTED]
This is Annemarie writing from Leon Botstein's office. Catherine let me know that you were in touch today to confirm that Mr. Epstein will be coming to Bard to attend the pre-opera talk and the performance of the Oresteia on Sunday, July 28. I just wanted to follow up to let you know that we have reserved six tickets for Mr. Epstein and his guests and they will be able to pick up their tickets at the "will call" desk in the lobby of the Richard B. Fisher Center for the Performing Arts just before the beginning of the opera talk, which starts at 1:00pm. The opera begins at 3:00pm. The tickets have all been reserved under Mr. Epstein's name.

Please do not hesitate to be in touch if I can be of further assistance.

With kind regards,

Annemarie
