ok, great...and I have the address correct: 76 Ninth Ave..? Should they gather in the lobby at 1:30? As the date approaches, I will be able to give you all the names..

Hi Angela. I would like to confirm the 1:30 with Tim at google on thurs march 21st. Can you give me exact address and let me know exactly where they should meet. I assume everyone should bring ID... Anything else? I know Leon Black will be bringing along Kate Caputo. Do you need to know other names before hand??(I'm sure Jeffrey will have someone with him too.. Just not sure who or how many).
