Attached is the itinerary for tomorrow. The tail is N7660S and crew is listed on the itinerary.

Please give us a call at [REDACTED] should you need anything and we will coordinate with the crew.

Do they have any special approach procedures for the landing site? What will it be marked with?

Thanks,

Sean.

Hello AAG

Do you have a trip itinerary for me tomorrow for Mr. Epstein trip, pilot contact and
tail number?

I need to update my New York office before close of business today thanks Larry
