Hi Lesley,  
Okey no problem! I'll make sure it's clean for the guest coming on August 18th. Thanks for reminding me! [REDACTED]

The guest who was arriving today in 11P is no longer coming. therefore, 11P does not need to be cleaned on Mon. Aug. 18th in the am anymore. Please make sure it is ready however (and really clean and beautiful!) for our guest arriving Monday Aug. 18th evening.
