Hi Gini...the FBO's remain the same for this trip back to NY on Sunday, March 31:

Le Bourget, Universal Aviation

Teterboro, Atlantic Aviation

Just to make sure...you will arrange transport for Woody and family in Paris and upon arrival in NY, correct?

Hi Gini. I Recd the below from our pilot Larry. But as you can see he says it could change. The tail # of plane is still N909JE. I need him to confirm FBO's too(he did not provide them, but they are probably the same as last time)
