Good Afternoon Larry,

Here is the updated quote with the residential landing site included. The west side
helipad is JRA West 30th Street. Is this the Helipad you meant for the departure out of
the City? 6N5 is the East 34 Street Helipad.

Happy to answer any additional questions or concerns at your convenience.

Kind Regards,

Good Evening Larry,

Attached, please find your requested quote with Newport State Airport (UUU) instead of the remote landing requested. This is 3 miles away from the residence.

We will look into getting clearance for the remote landing location tomorrow and send you a revised quote.

All the best,
