I asked soon-Yi if she needs her driver in the morning, I haven't heard back from her. The shooting is not at Woody's place, we are on location, so he will have to drive there

so do we need to organize a car for him to get to where the shooting is taking place? or is the shooting taking place at Woody's house?

Hi

I think Soon-Yi's driver can pick him up, but the production cannot provide a car unfortunately.
