ok, we can get Jeffrey a car and driver I am sure...
but Jeffrey is still asking me the following:

1. How long does the day of shooting go? when do you expect Woody to wrap up?
2. Could we get the address of where the shoot will be or could you provide a map? It is possible Jeffrey will make a side trip if convenient and time allows.

Thanks! [REDACTED]

I asked soon-Yi if she needs her driver in the morning, I haven't heard back from her. The shooting is not at Woody's place, we are on location, so he will have to drive there

so do we need to organize a car for him to get to where the shooting is taking place? or is the shooting taking place at Woody's house?

Hi
I think Soon-Yi's driver can pick him up, but the production cannot provide a car unfortunately.
