ok, the heli is due to land at 9:39am...I hope the drive to the set is not long! Mapquest says about 11 minutes, but I don't know how summer traffic will be...question, if they are not there at exactly 10am, what should they do? Still go to the address below and ask for Eric?

Once they get on set the three assistants have to go to Holdings where they have to go through wardrobe check. I will not be able to take them because I won't have time.

The building is Wakehurst Hall on 51 Lawrence Avenue, it's on campus, probably 2 min away from where set is. Somebody will show them their way, but they need to be there at 10am, so they need to remember this. Once they get there they need to ask for Eric.

I guess my concern is for later in the day...I'm sure the 3 assistants, once they get to the set, can call the car company and organize for later in the day...thanks

Hi Lesley,

Soon-Yi's driver knows where to take them. She will wait for them at the house

Hi Gini...is there an exact address at Salve Regina College that is being used for the set location? I can't book a car for Jeffrey without an exact address.

I also want to give you the names and cell numbers for the assistants traveling with Jeffrey tomorrow (they are also cc'd here):
