Hi [REDACTED]

Please do thank Jeffrey for his time today. I've met lots of Nobel laureates and policy leaders and such but it's not often someone gives me as many productive things to think about in such a short span of time. I truly enjoyed the conversation and am inspired to help him with his worthy goals. Honored to do so as well.

Have a good afternoon.

Best,

Mariette

Hi [REDACTED]

Yes, indeed, than you.

Please tell Jeffrey that I don't yet have a satisfactory answer to the question he asked me earlier about good new researchers to fund but I am happy to meet if he still would like to do so.

Best,

Mariette
