Do any of you know what this hot pot is with a hose for steam to escape down the side

Forgot to send to you guys:

Hi [REDACTED]
JE wants a Hot Pot for the plane like you purchased for 71st, Jeffrey said it has a hose for steam to escape on side, the I currently have allows steam to escape from the top and it's not safe in a plane., can you purchase one for plane for Paris trip tomorrow ? Or at least tell me what kind it is, or a picture

Thx
