Your night sounds awesome! It was a very pretty evening!
I did speak with her last night. I wasn't in NYC, [REDACTED] was in NYC. She came up with [REDACTED] to see [REDACTED] in an off Broadway show she is in.

I did know about the surrogate and I thought I'd told you. . .?? I know I told Mom and Dad/Nancy. . . I could swear I told you. . . .???

This time it will def work because she is a paid surrogate. The other gal was one who accidentally got pregnant and didn't abort, rather she was going to give up the baby for adoption. But after she had the baby, she wanted to keep her.

[REDACTED] actually selected the donors from a service (6'5" male left handed baseball pitcher; professional cheerleader girl. . . she didn't use her own eggs).

anyway, they may all be home by the time we get to Texas which would be great! I'd love to see them!!

> did you speak to ezelle last night? did you know she had a surrogate again? twins....wow..that is a handful at this stage of the game...I do hope this works out for her this time. Why were you in NY last night? I was at Chef Luis with Paula and her best friend from Orlando, Rene, who was visiting...Rene left today, but her 9 year old son, [REDACTED], who was [REDACTED] best friend while in Orlando is staying for 2 weeks. We sat outside...it was great!
