yes, I don't like working out after work any more...to hard...I see pp running when i get off the train and I'm just like...ugh...you can afford a day off..sometimes the sleep is more important...you will make up for it! I do know it doesnt feel great today, but it's ok...We had baseball last night. Truly can't wait for it to be over. 2 more games this week.

It was fine. I ordered a chick flick movie that I didn't even finish -- went to bed at 9 pm. Last night we went to the Gerkens and def ate and drank too much!! But it was a lot of fun! (I didn't work out this morning tho -- I hate that! I feel yucky about that. . . . I'm going to try and rally and work out after work --- but I'm usually too pooped to do a workout after work. . . . I need to look at my shape magazine and get inspired!
