Got an email over the weekend saying he was pushing the date out to Friday July 25th. Didn't give a time, please let me know when you are able to determine. Meeting is to be held in our new office 445 Park Suite 1401.

HI Eileen...is there a meeting this Friday July 18 with Jeffrey? or is that not happening? I was never privy to this, but Rich Kahn had an email on it..
