I think this is good. We need to add in some of my new letter also. The part about the landscaping must be added in because the one board member doesn't like that we planted stuff "presumptuously". Also add in the part about other pergolas around town I think. And then we should be good to go! Thank you thank you!

Bob took your original letter and John's and combined some ideas. Then I made some changes.
See what you think.
