Dear Lesley,

I realise you are out of office at the moment and we are happy to wait for your return.

Attached is a scanned copy of our contact sheet that we have for you and Jeffrey.

Please could you let us know if there are any changes so we can update it? In particular, we would be interested to know if [REDACTED] and [REDACTED] are still working for Jeffrey?

Also in forwarding an email to Daphne (regarding the Paris meeting next week), this has also bounced back at me so I will give her a call today and check.

Thank you.
