Subject: Dr. Knapp Appt.

Hi [REDACTED]

I called and spoke with Dr. Knapp's office to see if Mr. Epstein could have his appt and colonoscopy the same day and they actually said they would be able to do that. They want him to come in at 8:30 that morning instead of 9:00. She will email you the information for the bowel prep.

Let me know if you have any questions or concerns... thanks!
