Request for a medical insurance

For those who have to produce evidence of medical insurance, please provide a letter from an insurance company stating that they will be covered, for a minimum of 45,000 Dollars for the duration of their stay in the Schengen states, for medical, hospitalization and repatriation expenses (these three words must appear in the letter).

No medical card can be taken into consideration.

Hi Lesley . this is from french embassy website
Thank You

What kind of travel insurance do you want? Health insurance? Liability?
Is this for one trip or for all the time.? what is your goal here?
