3:45pm should not be a problem...

Hi All,

Please use the following dial in for today's conference call at 3:45 PM, following the solo call between Mr. Epstein and Mr. O'Connor.

I know, initially we said the call would be at 4:00 PM, but hopefully bumping it up to 3:45 PM is fine, as Peggy has a doctor's appointment at 4:15.

All the best,
