Hi Janusz...read from the bottom up! Jeffrey is expecting some 'sleep equipment' for a study he is participating in...the equipment will arrive this Friday June 27. I am not sure from this mail if you will be responsible for mailing the device back as of yet, but just be on the lookout to receive it on Friday then ask Jeffrey what he would like you to do with it...I would think he wants to take it with him to LSJ...please reply back...thanks!

Hi Amanda,

No, he will receive a prepaid shipping label in the box that can be sent from any location. Our customer service reps can also coordinate the shipment of the device back to us. Your patient won't even have to call UPS. I will have Alida, my practice support partner in the corporate office, make sure everything is taken care of.

Alida, please see below and confirm. Thanks!

Yours in Sleep,

Subject: Sleep Study Question

Hey Krissy,

We have a patient that I ordered a sleep study for today (Jeffrey Epstein, DOB 1/20/53). He is leaving here (FL) on Friday, and although the test should get to him before then, he may have to return it somewhere else... is that okay? Do we need to do anything on our end to coordinate?

Thanks so much!
