Joscha...i feel terrible...I answered your email from my cell phone when I was on the train traveling back home [REDACTED] the same day you sent your original email...I provided the apt number, code for the apt and address...BUT, now I can't find the email? Perhaps I was in the tunnel and something weird happened. So very sorry it did not get through to you. We DID have an apartment and always want you to ask, even on short notice..! Once again, really sorry this did not work out...next time for sure! Thanks, [REDACTED]
