Thanks again [REDACTED] for hosting. So nice for the kids to have the pool option.

[REDACTED] her three kids will be attending.

How bout I do a veggie platter geared to kids (but of course for adults too) and a tom/mozz/basil salad. I will also bring a fresh fruit salad and some appetizer nibbles. (Maybe guac and chips?)

Looking forward to it ladies. Will be so fun to celebrate the start of summer and what better night to do it than Friday the 13th?

[REDACTED] is picking up his football gear at 5:30 at the turf fields so the plan is to be there early and to get out fast but you just never know how the timing will work.

[REDACTED] we lacrosse till 7:30, maybe we can team up on the pick up?
[REDACTED] is way in from the airport!

Hello Ladies!! I wanted to touch base with you about Friday night. What time would be good for you guys? I am good with really anything at or after 6...you guys let me know what you think.

As for food...I am going to do a flank steak and chicken for the adults and then do burgers and hot dogs for the kids. I will also buy several kinds of ice cream and toppings for an ice cream bar.

If you guys want to let me know what sides/appetizers you want to bring that would be great.

[REDACTED] ing or is it still jus [REDACTED] er kids? how many kids is she? Also, if you want to forward [REDACTED] in at least add her to any future correspondence or you can also just relay [REDACTED]
