Hi Parents:

The game tonight is at 6 pm. Because it is the last game I would ask that the boys be there by 5:20 to take batting practice and to prepare for the game. This is a championship game and we hope to have the national anthem, a PA announcer, a great game and a trophy ceremony after the game. . Win or lose the coaches are very proud of these boys and the effort they put forth. Let's put together our finest effort tonight and win the last game.

Thanks,
