**Subject:** Waveny Picnic Sunday

I jogged through [redacted] last Sunday and saw a group of families have a picnic and thought it looked like a great idea.

The [redacted] will be going up to [redacted] this Sunday for some kids sports and a picnic this Sunday at 4 PM and we would love it if some are all of you joined us. Totally informal. Bring your own sports gear, blanket and picnic food.

Let me know if you think you will make it. Come whenever.
