Hi [REDACTED]

Thanks for your legup on Jeffrey's visit. We will be returning from overseas (Marvin's award in Madrid) on Saturday the 21st, so we would like to schedule a visit with Jeffrey on Sunday the 22nd. Would early or midafternoon work ?

We look forward to seeing Jeffrey --- probably at Harvard as usual.. Just let us know time and place I guess brunch would be another possibility in case Jeffrey is leaving relatively early in the day on Sunday.

All the best,
Gloria and Marvin
