If they are able to finish up today, I can go have a look and give the guy a check for below (I don't have a resale certificate...darn!) But we are staying here for the holiday and if they need to come on Monday, I can give them the check on monday! not a problem...I will go over around 4:30 today to have a look...I really can't give the check until the job is completed though ...Hope you understand

It's possible it may be completed today if not Monday 26, and also the invoice has been revised with the tax unless you have a resale certificate

Invoice	4,462.62
Tax	283.38
Total	4,745.99
Paid	2,331.31
Balance due	2,414.68

Thanks

Hi there...will they finish today? I would like to see the completed job and then, yes, I don't mind giving a check to your man. \$2231.31 total?

Ms. Groff,

Good afternoon and hope you are ready for the holiday weekend. I do have a small favor to ask regarding the payment.

I wanted to know if you will be able to give my guys the check instead of mailing it out only because of the holiday.

Sorry for any inconvenience and once again thank your for your business we do appreciate it.
