ok...we will see if we can get the guest to do this...apparently, she is not real good at responding..that is why Eva's office is trying to reach her on the apt phone.

On the phone with TWC. The modem in the apt should be restarted manually:  
unplug for about 30c and plug back in.  
Should work. TWC will call the number shortly to troubleshoot.

Thank you,

Hi there,

Sorry it took us a few days to get back to

you. She will definitely move in this Friday. Her name is Theresa Babendreier. How long could she stay? Eva said she would probably like to stay as long as possible.

Thanks.

Kim
