Hey Kim...below is from Bella...if Theresa is in the apt and you can get her to go through the step of unplugging the modem, you may have a chance of speaking with her...but if you can't even reach her...well...

On the phone with TWC. The modem in the apt should be restarted manually: unplug for about 30c and plug back in.

Should work. TWC will call the number shortly to troubleshoot.

we really keep the phone lines in the apt's for internet access purposes...we kinda assume pp have cell phones to be reached on!

Hi there,

Sorry it took us a few days to get back to you.
She will definitely move in this Friday. Her
name is Theresa Babendreier. How long could
she stay? Eva said she would probably like to
stay as long as possible.

Thanks.

Kim
