Hello Austin,

Here is the information that you requested.

~JUST FOR LAUGHS FESTIVAL

The largest comedy festival in the world invites you to Montréal. Every summer, the festival tickles the city into a laughing frenzy with galas, street art, theatre productions, and stand-up performances. ~This year's fest runs from July 10-28 and will feature the likes of Sarah Silverman, Seth Meyers, Joan Rivers, Eddie Izzard, Taran Killam & Bobby Moynihan, Nick Kroll, Amy Schumer, Colin Quinn, Colin Mochrie & Brad Sherwood, Kristen Schaal, Bo Burnham, Hannibal Buress, Danny Bhoj, Marc Maron, Pete Holmes, Tig Notaro, Maria Bamford, and Judah Friedlander amongst tonnes of other hilarious dudes and dudettes.

~Just for Laughs 2014 Line up Must-Sees

Who doesn't love Seth Rogen? Comedy it man Rogen is the stuff that bromance fantasies are made of, a growing source and supply of fratboy screenplays and male-centric premises quickly turning the Vancouver native into one of the most sought-after comedic talents in the industry.

The king of the roast, Don Rickles practically invented insult comedy. He's been tearing

down celebrity egos for close to 60 years. And he has his early-day hecklers to thank for it. It's because of them that he turned into the comedy shark that he is, so much so that he started dumping more of his pre-written act to make time for shooting down in-person naysayers. His verbal shin kicks were so effective and such a popular draw, that it was only a matter of time before he got to attack Hollywood's heavyweights and become one of Johnny Carson's favorite guests on The Tonight Show.

Don't be fooled by Godfrey's good looks. This comedian is HOT.
The host of Just for Laughs' Date Night: The Relationship Show, Godfrey performs with Lynn Koplitz, Julian McCollough, Joe Matarese, John Heffron (and possibly others to be announced)

Comedy vet Bobby Slayton doesn't beat around the bush. He'd rather talk about it.

Having upset down syndrome circles and been accused of antisemitism in recent years, Tommy Tiernan isn't one to fear controversy. Nor skirt it. The Carndonagh native prefers delving into it head first. All Tiernan asks is that people recognize an act when they see it.

Maz Jobrani. I totally vouch for this gentleman. Every clip and live act I'm seen him in was solid, including his 2012 Just for Laughs gig as the host of The Ethnic Show.
