Thank you Rich. We are working weekends if he is coming back and yes if its needed.
He's here on that time of weekends yes im gonna send you a copy of our working days. That's what we've been doing,there's no problem working as long as they will notify us a day before so we can change our plan.

Thank you.

I spoke with Mr Epstein yesterday and he would like you to take your annual trip overseas in August this year as opposed to September or October
In addition he mentioned that you should not be working on weekends when he is not in residence unless you are driving or he just left town late Friday afternoon

Also please email me your monthly schedule twice per month to review work and off days

Please feel free to call me with any questions
Thank you
