Hi [REDACTED],
I'll stop by at 301 tomorrow morning to see what I need or if it's repairable then go back on Monday to repair if possible

Thanks

Tess is to clean 11P on monday...do you think you could go over with her and have a look? I would hate to order a new bed when this one could be repaired...We also have a guest that may need to stay there come next Friday may 16th, so would love if you could get in there early to check on it for us...
