Subject: Mommoth Basketball Hoop

Hello...I placed an order for :

Order #136306

Product Id: 90181

Product Name: Mammoth Basketball Systems - 90181 72-inch Glass Backboard
Goal

Attributes (if any):

Price: \$1,699.99

Quantity: 1

Can you please send me the name and phone number of the company that is to deliver this to my house? We are building a new home and the hoop is to be delivered to the new home..the day we were t accept delivery, my builder could not be at the house at the specified time...therefore it was not delivered. We need to set up another date/time to deliver...I do not want the company to send the hoop back to you! We want it...we just need to find a mutually convenient time to accept deliver.

Thanks, [REDACTED]
