Subject: Portrait Scholarship Artist Selection *Confirmation*

Dear Lesley,

We are delighted to confirm Jeffrey's selection of artists for the 2014/15 Portrait Scholarship. These are three of our most talented artists and I am sure Jeffrey will enjoy working with them.

Nick Gebhart

Kyeong Keun No

Bernard Garcia

This is a very special scholarship program that provides invaluable experience and wonderful exposure for a talented artist as well as much needed financial support. The Academy simply could not provide these scholarship programs without the generosity of supporters like Jeffrey.

I will be in touch shortly to connect you directly with the artists and to set up studio meetings to discuss the details of the portrait commission.

Thank you for all your kind assistance.
