how much was one day that she paid for? I will fix it in the system once you tell me and then she should get an email confirmation from the system

Anne,
See below. This is my fault, I realize. I should have kept better track of the cash. What can we do for her?
Thanks,
Mike

Hi Mike...Hope you are well. I want to sign Ty up for basketball camp the week of June 23-27, but when I go to pay, it states I have an outstanding balance of \$160 for February Basketball camp!? Ty attended the basketball camp only on Feb. 21st and we paid for it with cash...Can you please check in to this or give me the name/phone #/email address of the person I should speak to so we may have this balance taken off our account? I can't sign Ty up for the summer camp until this is taken care of.

Thanks so much for your help.
