Subject: CO...

Bob, Ike is starting to get all over me regarding obtaining a CO as quickly as possible...I told him you are going to fill out the paperwork with the town this coming Monday or Tuesday but it is a process...but how long do you think the process is truly (in your experience)? Bankwell holds back 30% of our money until they see the CO...We don't have much left we can borrow due to this, until we get the CO...the pressure is going to start...

Let me know what you think...thanks, [REDACTED]
